## SUMMARY

---

Bringing forth a motivated attitude and a variety of powerful skills. Committed to utilizing my skills to further the mission of a company.

## EXPERIENCE

---

### Graphic Design Intern Shobbr.com

July 2021 - August 2021, Ghaziabad

- Designed the Shobbr logo, which was featured on the company's website, social media pages, and marketing materials.
- Created posters for the Shobbr blogs, which resulted in a 10% increase in website traffic.
- Successfully completed all tasks within tight deadlines, even when working on multiple projects simultaneously.
- Learned new design techniques by observing and emulating senior designers.
- Demonstrated expertise in Photoshop, Illustrator, and Canva through designing projects such as posters, flyers, and website layouts.

## PROJECTS

---

### Skin Cancer Detection Using TensorFlow Library

ABES Engineering College • April 2023 - June 2023

- Developed a skin cancer detection system using TensorFlow in Python. Trained the system on a dataset of skin lesion images. Used the InceptionV3 architecture.
- Achieved an accuracy of 80% on the test set. Evaluated the model using a confusion matrix.
- Identified limitations of the project, such as the need for more training data.
- Proposed improvements to the project, such as using a newer CNN architecture.

## EDUCATION

---

### Bachelor of Technology in Computer Science Engineering - Data Science

ABES Engineering College • 8.52 CGPA • Ghaziabad, Uttar Pradesh • 2025

### Senior Secondary School

Minor in Physics, Chemistry, Mathematics (PCM) • Vanasthali Public School • 96.8% in 10th grade, 95% in 12th grade

• Vasundhara, Ghaziabad • 2021

## CERTIFICATIONS

---

### Problem Solving (Basic) & Problem Solving (Intermediate)

Hackerrank • 2023

Certified in basic and intermediate level Problem solving Using C language

### Python (Basic)

Hackerrank • 2023

Certified in basic Python Using Python language

### Python Basics For Data Science Bootcamp

Dphi • 2022

The bootcamp consisted of 10 days of coursework, quizzes, and a hands-on exercise.

## COURSEWORK

---

### Introduction To Data Science

Infosys Springboard • 2023 • Data Science, Python

### Data Science Foundations & Front End Development- HTML, CSS

Great Learning Academy • 2023 • Data Science, Machine Learning, HTML, CSS

## SKILLS

---

**Technical Skills :** C, C++, HTML, CSS, JavaScript, Python, MySQL, Machine Learning, Deep Learning

**Soft Skills:** Leadership Skill, Public Speaking, Communication Skills, Effective time management,

Fast learner
